Health Guarantee & Purchase Contract

The puppy is sold to the purchaser on the following conditions:

• The puppy has been reared in a home environment and has been dewormed. The breeder has followed the recommended vaccination protocol for puppies. The puppy is believed to be in good health.

• The purchaser understands and is in agreement that the down payment of $300.00 to aquire a Kinnickinnic Goldendoodle is NON-REFUNDABLE.

• The purchaser is strongly advised to have the puppy vet checked within four to eight weeks of collecting the puppy. If the vet certifies that there is any problem which makes the puppy unfit for sale, provided the puppy is returned in the same condition as when it was sold, and within ninety days, the breeder will take the puppy back and refund the full purchase price, excluding any non-refundable deposits made to aquire the puppy. The breeder will not pay expenses incurred in the return of a puppy nor accept any claim for distress caused by the return.

• The breeder has enquired of the purchaser his or her past experience with dogs and, in particular with this specific breed, and on the basis of the information received is willing to place a puppy with the purchaser. The breeder has pointed out to the purchaser the main conditions the breed is prone to and the health schemes followed to reduce the risk of such conditions. Every puppy is an individual and the breeder cannot be held responsible should conditions, genetic or otherwise, develop later in life. The breeder is also not responsible for any accidental injuries or lifestyle induced diseases.

• The purchaser agrees to have dog spay/neutered as soon as vet recommends. ONLY EXCEPTION: Breeding Rights Fee ($1000) has been paid in full at the time of adoption. Proof of spay/neuter must be submitted to breeder by puppy's first birthday.

• The purchaser agrees that the dog will be kept in appropriate conditions for its welfare and health. It will be fed on a suitable diet for its age and condition and have appropriate exercise. It will receive all necessary veterinary care to maintain its physical good health.

• The dog will be kept under appropriate control and will not be neglected or maltreated in any way. The purchaser attests that he or she has not been banned from keeping a dog or any other animal by any legal court order.

• If circumstances occur where it becomes necessary to re-home the dog, the breeder must first be notified and given an opportunity to take back the dog either by purchase (in the case of selling on) or to home it if it is in need of rescue. WE DO NOT WANT OUR PUPPIES TO END UP IN RESCUE SHELTERS!
